About the GTU

Gujarat Technological University is a premier academic and research institution which has driven new ways of thinking since its 2007 founding, established by the Government of Gujarat vide Gujarat Act No. 20 of 2007. Today, GTU is an intellectual destination that draws inspired scholars to its campus, keeping GTU at the nexus of ideas that challenge and change the world. GTU is a State University with 486 affiliated colleges in its fold operating across the state of Gujarat through its FIVE zones at Ahmedabad, Gandhinagar, Vallabh Vidyanagar, Rajkot and Surat. The University caters to the fields of Engineering, Architecture, Management, Pharmacy and Computer Science. The University has about 4,00,000 students enrolled in a large number of Diploma, Under Graduate, Post Graduate programs along with the robust Doctoral program.

GTU's education empowers individuals to challenge conventional thinking in pursuit of original ideas. With a commitment to free and open inquiry, our scholars work transform the way we understand the world, advancing – and creating – fields of study.

The Post Graduate Research Centres at GTU are actively involved in several national and international research projects. Each year, GTU hosts several national and international conferences to bring together the academicians and industry experts on a single platform for the exchange of knowledge, experiences and best practices in their area of working. GTU has partnered with leading industries and associations like Bosch Rexroth, Oracle, IEEE, NSE, BSE, C-DAC and many more to encourage industry-academia knowledge exchange.

About Graduate School of Pharmacy (GSP):

Graduate School of Pharmacy (GSP), at Gujarat Technological University is in its infancy. With commitments of students, dedicated faculty and visionary support of distinguished Pharmacist Dr. Navin Sheth - Hon. VC of Gujarat Technological University, and all other stakeholders, it aspires to be one of the premier institutes in the field of Pharmaceutical Education and Research. Graduate School of Pharmacy (GSP) was established from academic year 2017-18. It offers M.Pharm level courses approved by All India Council for Technical Education (AICTE) and Pharmacy Council of India (PCI). M. Pharm (Pharmaceutical Regulatory Affairs) course was started from academic year 2017-18 and M.Pharm (Pharmaceutical Quality Assurance) course is started from academic year 2019-20. GTU has also proposed New M.Pharm (Pharmaceutics) course to be started from academic year 2020-21 subject to the approval of PCI and AICTE. We are nurturing the institute with an aim to make it as one of the premier institutes in the field of the Pharmaceuticals Education and Research.

About GTU TechFest & PharmaFest

GTU Central/Zonal TechFest is the annual science and innovative technology festival of Gujarat Technological University. It is all about harnessing the resources and hidden talents of students concentrating it at one place and at one time in form of a Technical Festival. Techfest is known for hosting a variety of events that include competitions, exhibitions, workshops etc.

GTU Central Pharmacy Fest 'PharmCreNova' will be held on 18th and 19th March at Shade 5- GTU Chandkheda, Campus. Graduate School of Pharmacy (GSP) has taken the initiative to schedule PharmCreNova as a Central Pharmacy Fest of Gujarat Technological University. PharmCreNova is a befitting platform for the young pharmacy students to promote and showcase their technical proficiency for taking healthcare profession to its next level. It also aim at developing quality of teamwork building in pharmacy students. We believe that each student is gifted with latent talent, which we want to extricate and outshine with support of Gujarat Technological University. GTU Graduate School of Pharmacy welcomes you all to celebrate this festival of Creativity and Innovation.

1. PHARMA IDEATHON

Objectives:
• To bring forth future thought leaders, researchers and entrepreneurs in pharmaceutical sciences and healthcare.

Rules:
Idea should be novel and that may fall into one of the following categories:
1) Idea with technical background 2) Idea with preliminary proof 3) Idea that is fully established
• Maximum 4 members in each team. • The team may have Mentor. • Idea should be Novel with/without solution. • Mode of presentation can be Audio Visual/ Actual model/ Virtual model/ Prototype. • Novel ideas will be supported for proof-of concept/prototype building and to convert into start up by GTU Atal Incubation Centre.
Note: Winners of Zonal rounds shall receive information from their respective zones and will have to reregister for the Central Tech Fest Events.

2. CLINICAL CASE STUDY

Objectives:
• This competition will help students to understand and practice Clinical pharmacy. • It will help for critical evaluation of clinical cases.

Rules:
• A team consisting of maximum two participants. • A clinical case will be provided to the students one hour before the actual event. During this one hour students can access internet as well as standard books for analyzing the case. • The team will have to present their analysis through power point in maximum ten minutes.

3. PHARMA QUIZ

Objectives:
It is a mind sport, in which the student teams attempt to answer questions correctly. It is a game to test general as well as pharma knowledge.

Rules:
• One team per college. • Three students per team. • If the number of entries for this event exceeds four, elimination round will be conducted using MCQs based examination. • The first four teams will be selected for final event. • Decision of judges will be considered as final

4. PHARMA DEBATE

Objectives:
• To create awareness regarding current pharma affairs. • To generate effective thinking into issues in the given topic • To add value to the communication skills of an individual. • To boost up logical thinking ability.

Rules:
• A team consists of two participants. • Top 3 teams from each zone would be given entry. • Central Techfest round: Maximum 5 teams per institute.
• Duration: Ten minutes. • Medium of expression will be Hindi or English. • Topic for the event will be announced 24 hours in advance.
• Paper reading is not allowed. • Use of foul language and aggression is not allowed.

Events:
5.PHARMA POSTER PRESENTATION

Objectives:
• It will help to gain and update knowledge regarding publications and current advancement in the pharmaceutical sciences.
• It is a good way to enhance the creativity and clarity of one's ideas. • Participants can enhance their presentation skills.

Rules:
• The topic for the poster is restricted to recent advancements in pharma field. • There should be max 3 participants allowed per poster. • Central Techfest: 10 entries per institute. • The area provided for poster presentation is 1 sq.m (3 x 3 Feet). • The title of the poster should cover full width of the poster. • The title should be brief informative and written in bold letter. • The names of the author address should be written below the title in small letters but presenting author must be present. • The size of the letter should be such that a viewer can read it from 2 m distance. • The message should be clear, understandable and self-explanatory. • The participant/s should remain present at the place allotted to them throughout the display period. • Faculty Mentor is allowed.
*Note: The abstract has to be submitted on **pharmcrenova@gtu.edu.in** on or before 15th March.*

6.PHARMA SKETCH
